## DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

### OUR VISION

To build our students to be among the top technocrats in the country, reshaping society in a more modern way.

### OUR MISSION

To develop, circulate, and use computer science knowledge, including in interdisciplinary fields that broaden its application and benefit humanity; to teach students to be successful, moral, and effective problem-solvers and lifelong learners who will improve the economic well-being of our region and country and who are equipped to take on the challenging challenges of the 21st century.
